

NH SPEECH-LANGUAGE HEARING ASSOCIATION  
BOARD MEETING  
Nov. 30, 2011

Present: Erin, June and Vicki

I. Treasurer's Report submitted by Vicki:

Balance = \$1,818.89

IRS ISSUES:      1. There were some forms that were not filed when they should have been.  
                         2. The IRS had an incorrect address taken from tax returns filed by Plodzick and Sanderson.  
                         3. Vicki will write a letter in response to the letter we received about the above issues asking them to waive the penalties of \$2,042.25 (as of August 29, 2011).

II. Vicki expressed her concern that we need new members. She will send out an email re: Spring Membership Drive.

III. Spring conference:

1. Deborah Dickson from ASHA will come to speak. We will need to cover her airfare, hotel and meals.
2. Ruth Peaper from UNH has been asked to do a presentation and Vicki awaits her decision.
3. A brainstorming session resulted in this list of breakout session topics: Supervision of SLAs, data tracking, advocating for yourself (recess duty, evaluations, case management, etc.), writing IEPs, websites and video clips for therapy, creative scheduling: does doing therapy for three weeks and then having meetings & doing testing for one week make a difference?, and swallowing/feeding needs.

Brainstorming for a title for the conference, we came up with "Managing the Unmanageable".

We decided to wait until more Board members were present to discuss vendors.

IV. Next Meeting: Wed., Jan., 18, 2012. Vicki will check with NHTI in Concord to see if they have available space. If that doesn't work out, June will find another space in Concord.

Minutes typed by: June Adinah, Secretary
