

The New Hampshire Speech-Language- Hearing Association

We are a state-level affiliate of the American Speech-Language-Hearing Association. Our relationship with ASHA provides the NHSLHA Executive Board access to leadership training to better understand and serve the needs of professionals and consumers of the speech, language and hearing sciences. Through ASHA we obtain the credibility to intervene on the behalf of our community in many forums.

The Speech-Language-Hearing Association of New Hampshire is a non-profit, state-level, professional association. We are dedicated to providing professionals and consumers with information and resources regarding the speech, language and hearing sciences in the state of New Hampshire.

NHSLHA

This in an exciting time to join NHSLHA! Efforts to affect legislature, increase community awareness, recruit new members and better meet the needs of existing members have been identified as primary objectives. We need your help and unique skills to make NHSLHA the premier resource for all things speech, language and hearing in New Hampshire.

The Benefits of NHSLHA Membership

Members will enjoy benefits that facilitate professional practice, help with client support, as well as, create a forum in which professional expertise can be used to improve laws and regulations in the state of New Hampshire. Become a member to gain access to the larger network of speech, language and hearing professionals. We are strongest together.

It Takes a Community

Any professional will understand the struggle to gain information. The New Hampshire Office of Licensed Allied Professionals can help with licensure questions and ASHA can help with general practice questions, but only NHSLHA is there for you if you have questions specific to practicing in New Hampshire. Join our community to gain access to a larger pool of experience, resources and professionals. We're here to help.

Making a Difference

Did you know that NHSLHA was instrumental in the development and implementation of the Speech Language Assistant Associate's Degree Program at Nashua Community College? Did you know that NHSLHA has lobbyists advising the Executive Board on state legislative matters? If you want to make a difference in the New Hampshire, speech, language and hearing community, you can find a way to do so through NHSLHA.

The NHSLHA News

The NHSLHA News is a monthly newsletter, for members, in which current issues in the speech, language and hearing sciences are discussed. Members can look forward to member spotlights, therapy ideas, action alerts for impending law or regulation changes, service awards, apps and websites to use as planning resources, article reviews and much, much more!
